

New Eldercare Specialist Certificate Available at ACC

Arapahoe Community College will launch a new Eldercare Specialist Certificate program beginning Fall 2009 Semester.

- Open to all Certified Nurse Assistants (CNAs).
- Designed to expand traditional roles of CNAs to specialists in working with elders and to serve resident needs.
- Philosophy and skills taught

will prepare the eldercare specialist for work in a neighborhood or household, in a transforming nursing home or assisted living community.

Classes start Aug. 19, 2009.

Registration is now open.

Two classes required -- ELS 201, 73060, 4 credits and CUA 121, 73061, 1 credit.

They will meet Wednesdays from 4 through 9 p.m.
